Reported to Police

Narrative Description of Incident(s), Failure(s), and Injury(ies).

Please describe (1) events leading up to the failure, (2) failure and its consequences, and (3) what was done to correct the failure; i.e., parts repaired or replaced (and if old part is available).

DT:THE CONTACT RECEIVED NHTSA RECALL 00V189000 CONCERNING FRONT ENGINE CRADLE BOLTS. WHILE DRIVING THE VEHICLE'S FRONT ENGINE CRADLE BOLTS RUSTED, AND THE FRAME DROPPED TO THE GROUND. ALSO, THE STEERING SHAFT SEPARATED AND BROKE. HE WAS UNABLE TO STEER THE CAR. HE WAS ABLE TO STOP THE CAR WITHOUT INCIDENT, THE VEHICLE WAS THEN TOWED. THE CONTACT HAD THE VEHICLE REPAIRED AT COST. CONTACTED THE MANUFACTURER, AND THEY REFUSED TO PAY FOR THE REPAIR WORK. THEY STATED THE REPAIR COST WOULD EXCEED THE COST OF THE VEHICLE. *AK

Include, if available: Police/Fire Department Report, Photos, and Repair Invoice.

ATTACH ADDITIONAL SHEETS IF NECESSARY

The Privacy Act of 1974 (Public Law 93-579) This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a substantial summary thereof, may be used in support of the agency's action.

Vehicle: Recalls

Dealer Campaign Responsibility

All unsold new vehicles in dealers' possession and subject to this campaign must be held and inspected/repared per the service procedure in this campaign bulletin before customers take possession of these vehicles.

Dealers are to service all vehicles subject to this campaign at no charge to customers, regardless of mileage, age of vehicle, or ownership, from this time forward.

Customers who have recently purchased vehicles sold from your vehicle inventory, and for which there is no customer information indicating the dealer listing, are to be contacted by the dealer. Arrangements are to be made to make the required correction according to the instructions contained in this bulletin. This could be done by mailing to such customers a copy of the appropriate divisional customer letter accompanying this bulletin. Campaign follow-up cards should not be used for this purpose, since the customer may not as yet have received the notification letter.

In summary, whenever a vehicle subject to this campaign enters your vehicle inventory, or is in your dealership for service in the future, you take the steps necessary to be sure the campaign correction has been made before selling or releasing the vehicle.
