To Whom It May Concern:

We have made numerous attempts to get this safety recall work completed. We've contacted Kentucky Truck Sales Inc. in Jeffersonville, Indiana on numerous occasions and were told that they do not have the parts to complete the job. We are asking if you can please send us the parts to complete this job. We can have our mechanic install the part or we can take the part to Kentucky Truck Sales Inc. to install.

Sincerely,

REMINDER NOTICE

## Subject: Business Class Brake Pedal Piston Rods

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act and the Canadian Motor Vehicles Safety Act.

Freightliner LLC, on behalf of its Freightliner Trucks Division has determined that a defect exists on all Freightliner FLN Business Class vehicles manufactured between May 1, 1991, and November 10, 2000, equipped with air brakes.

The brake piston rod that activates the service brakes may bend and fracture, causing a loss of brakes and possible vehicle crash without prior warning.

The modification consists of replacing the brake pedal piston rod, clevis, and plunger with a new design.

Our records indicate that your vehicle(s) has not yet had this recall performed. Please make arrangements to have this repair done as soon as possible. If it has been completed, please disregard this letter.

Repair kits are now available for authorized dealers to order. You should contact your authorized dealer to arrange to have your vehicle(s) modified and to assure that parts are available at the dealer.

When you contact your dealer, refer to campaign number FL276D-F. Once kit(s) are received at the dealership, the modification will take approximately one hour and will be performed at no charge to you.

**IMPORTANT:** When the modification has been completed, please ensure that a sticker has been affixed to your vehicle referencing FL276D-F and the date the work was performed.

If you do not own the vehicle that corresponds to the identification number(s) which appears on the Recall Notification, please return the notification to the Warranty Campaigns Department with any information you can furnish that will assist us in locating the present owner. If you have leased this vehicle, please make sure this notification is immediately forwarded to the lessee.

If you are unable to have the defect remedied without charge and within a reasonable time after you tender the vehicle for repair, please contact the Warranty Campaigns Department at (800) 547-0712, 7:30 a.m. to 4:30 p.m. Pacific Time Monday through Friday, or the Customer Assistance Center at (800) FTL-HELP, after normal business hours. You may also wish to notify the Administrator, National Highway Traffic Safety Administration, 400 7th Street S.W., Washington, D.C. 20590, or phone (888) 327-4236. If your vehicle is involved in the Canadian portion, you may notify the Manager, Recall and Public Compliance, Road and Motor Vehicle Traffic-Safety Branch, Transport Canada, Ottawa, Ontario, or phone (613) 993-9851.

We regret any inconvenience this action may cause, but feel certain you understand our interest in motor vehicle safety.
