Narrative Description of Incident(s), Crash(es), and Injury(ies).
Please describe (1) events leading up to the failure, (2) failure and its consequences, and (3) what was done to correct the failure;
i.e. parts repaired or replaced (and if old part is available).

DT: THE CONTACT STATED THAT WHEN APPLYING BRAKE PRESSURE AT LOW SPEEDS THE ABS WOULD ACTIVATE FOLLOWED BY A RUBBING NOISE. THERE WAS NHTSA RECALL 05V379000 INVOLVING THE ANTI LOCK BRAKES. THIS VEHICLE HAD THE SAME FAILURE AS INDICATED IN THE RECALL. HOWEVER, THIS VEHICLE WAS NOT INCLUDED IN THE RECALL DUE TO VIN. THE VEHICLE WAS TAKEN TO A DEALER FOR REPAIRS. AFTER THE REPAIRS WERE PERFORMED THERE HAVE BEEN NO FURTHER PROBLEMS. *AK

I was led to believe I would receive re-imbursement for repairs after the company was advised of the recall.

Include, if available: Police/Fire Department Report, Photos, and Repair Invoice.

ATTACH ADDITIONAL SHEETS IF NECESSARY

The Privacy Act of 1974 (Public Law 93-579) This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I wish to have this included in the recall.
In the same problem they recalled the truck
in the other states.
My grandchildren were at the stop sign on
the bike. My truck almost didn't stop
when I came up behind them.
My grandchildren aren't any less valuable
than someone's in the 14 states they
recalled the vehicles in for this problem.
