Please describe in detail the incident(s), failure(s), crash(es), and injury(ies).					
Crash	Fire	Number of Persons Injured	Number of Deaths	Police Report No.	
☐ Yes ☒ No	☐ Yes ☒ No	0	0	None Filed	

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies).

We were going south on Texas Hwy. 6 near Alvarado, Texas, we were going about 65 mph when something started bumping the back of the vehicle. The vehicle tried to go sideways, I controlled it and pulled over. We found the tire inflated but the tread gone. The vehicle had a lot of damage. No injuries, no crash.

The Privacy Act of 1974 - Public Law 93-579. This information is requested pursuant to this questionnaire. Your response may be used to assist NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.
