Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I stopped and turned MY CAR OFF and when I tried to restart the car it would start then staled out THE dealership Has stated that the Ford focus 2003 CAN NOT go under a 1/2 tank of gas I will continue to keep bringing MY CAR BACK until this is resolved. Not being able to let your tank go under a 1/2 is NOT right. There should have been a recall for this problem.
