Use the attached Vehicle Owner's Questionnaire (VOQ) to report a motor vehicle safety problem to the National Highway Traffic Safety Administration (NHTSA) of the U.S. Department of Transportation (DOT). You may also call the Vehicle Safety Hotline at 1-888-327-4236 or file your report online at our web site at www.safercar.gov. The TTY number is 1-800-424-9153.

If a safety-related defect exists in a motor vehicle, or item of motor vehicle equipment such as a child safety seat, the manufacturer may be required to recall it and fix it at no cost to the owner. Your report is the first step in this process. It will be viewed with other reports to identify safety defect trends that require investigation.

Government investigators will analyze the problem. If warranted, the manufacturer will be asked to conduct a safety recall campaign.
