DT*: THE CONTACT STATED WHILE DRIVING ON THE INTERSTATE AT 85 MPH, A LOUD THUMP WAS HEARD, AND THE DRIVER THOUGHT A RODENT HAD BEEN RUN OVER. WHEN THE VEHICLE LEFT THE INTERSTATE, THE TRANSMISSION BEGAN TO HESITATE. THE CONTACT NOTICED FLUID ON THE UNDERSIDE OF THE VEHICLE. THE DEALERSHIP DETERMINED THE NUMBER 2 GEAR FLEW OUT OF THE TRANSMISSION THROUGH THE HOUSING. THERE IS A NHTSA RECALL # 04V176000, REGARDING THE AUTOMATIC TRANSMISSION. THE VEHICLE HAS THE SAME PROBLEMS AS INDICATED IN THE RECALL; HOWEVER, IT IS NOT INCLUDED IN THE RECALL DUE TO THE VIN.

When talking to the dealership again they stated they didn't know what went through it. But my wife, Tina, said after she stopped at the shop they said it went slow and was sticking and would not shift. When Heller Ford picked up our Van, the front left wheel clicked loud and hardy turned in neutral. Pictures show a year!

Include, if available: Police/Fire Department Report, Photos, and Repair Invoice.

Remanufactured Parts Limited Warranty

This warranty applies only to a model-specific Honda Genuine Engine oil that is manufactured and distributed by American Honda (Honda) and purchased from an authorized Honda retailer (the dealer or retail dealer) in the United States. This warranty is granted only to the retail purchaser of the engine oil, and only for the vehicle in which it was installed, for the duration of the warranty, as long as the oil and oil pan parts in the vehicle in which it was installed.

At the time of installation, make sure your Honda dealer fills out the original document. Then place this document in the glove box.

101010

Time and Release Period

The remanufactured part, purchased from a Florida dealer for the vehicle specified above, is warranted against defects in material and workmanship for 3 years or 36,000 miles, whichever comes first. This warranty is granted to the original purchaser of the part for the duration of the warranty period as long as the purchaser owns or leases the vehicle in which it is installed. This warranty is not transferable.

What Is Covered

Any remanufactured part covered by this warranty that is defective in material or workmanship under normal use will be repaired or replaced by Honda.

If a Honda dealer originally installed the remanufactured part, a Honda dealer will do the repair or replacement. Honda covers the cost of the replacement part, and the labor to install it. If someone other than a Honda dealer installed the remanufactured part, the cost to repair or replace the part is covered by Honda, but the installation cost is not covered.

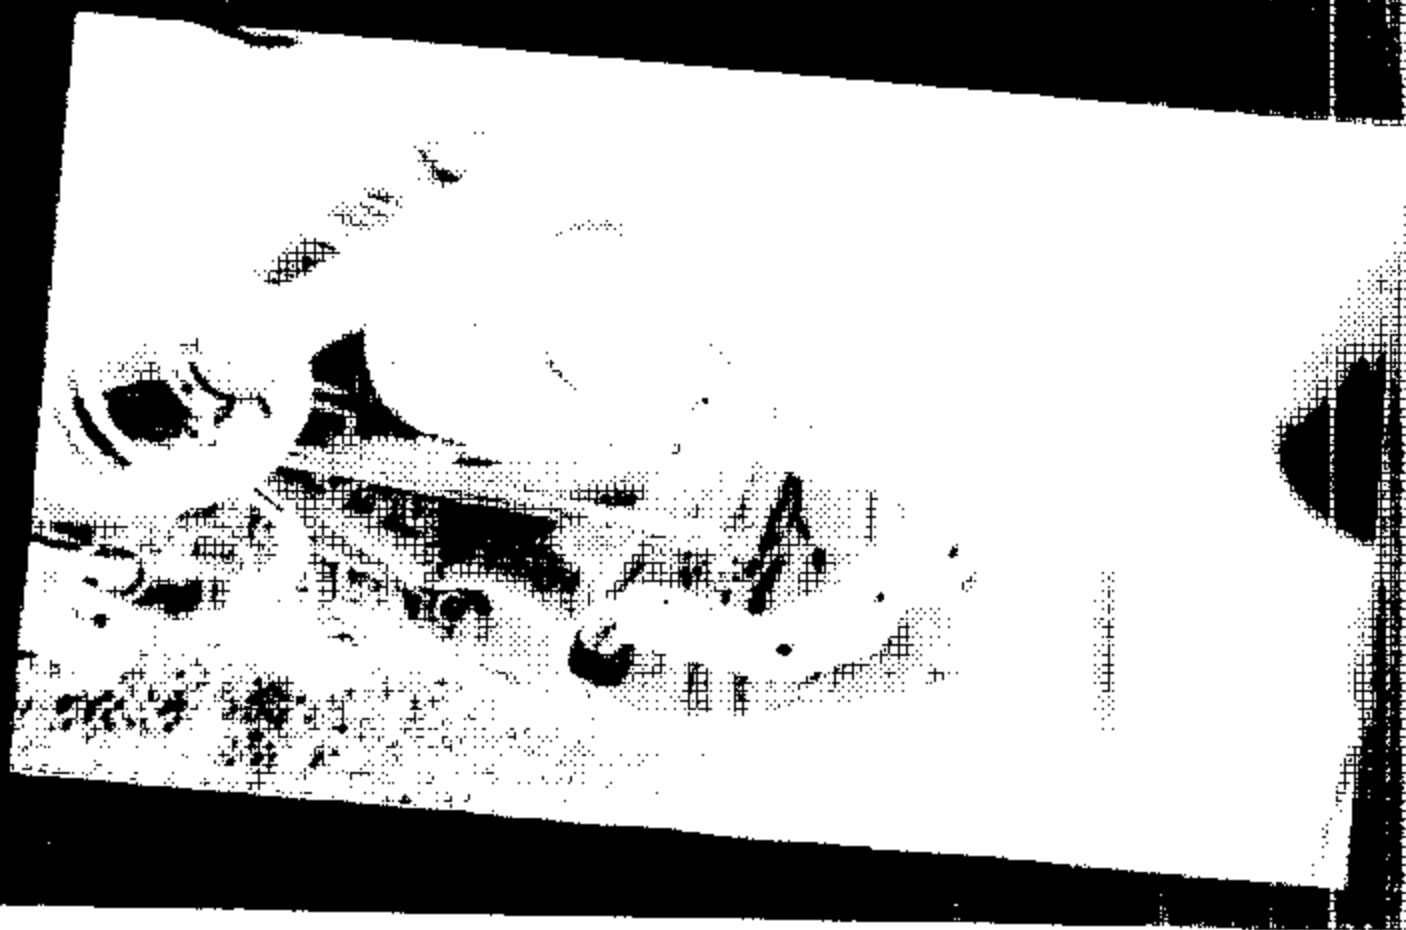

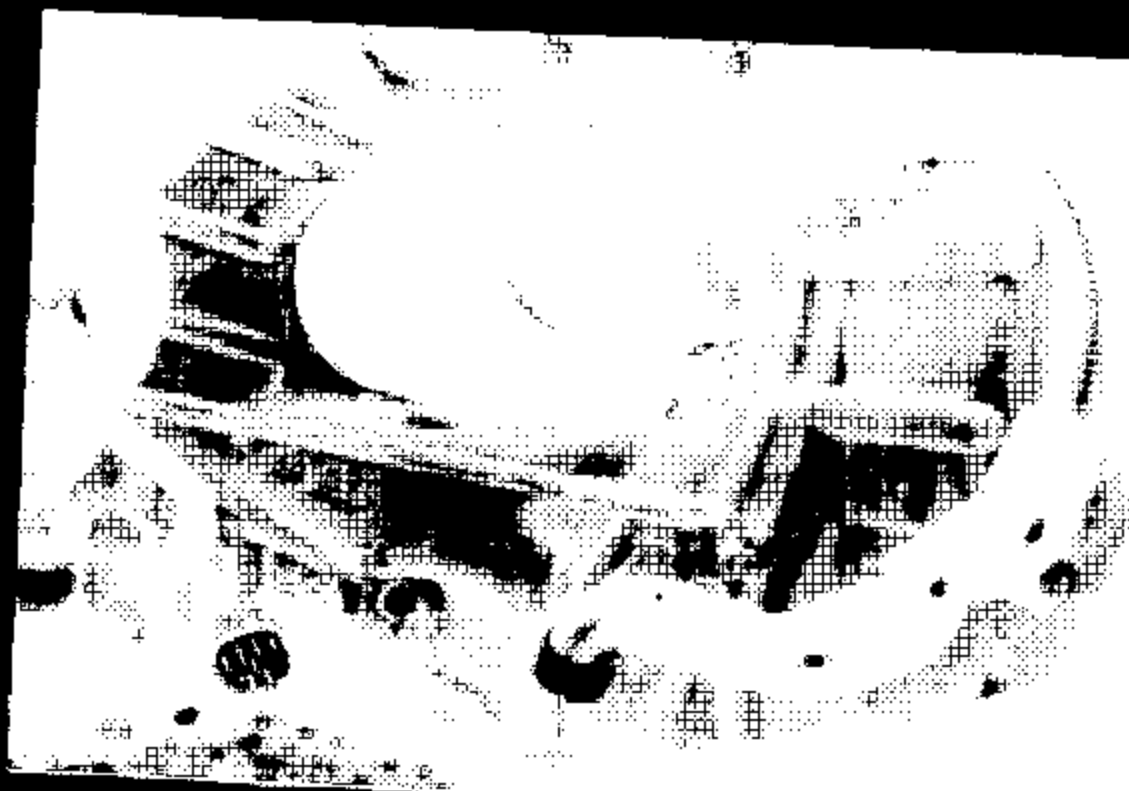

Remanufactured parts supplied under this warranty become the property of Honda. Honda makes the final decision whether to repair or replace the remanufactured part.

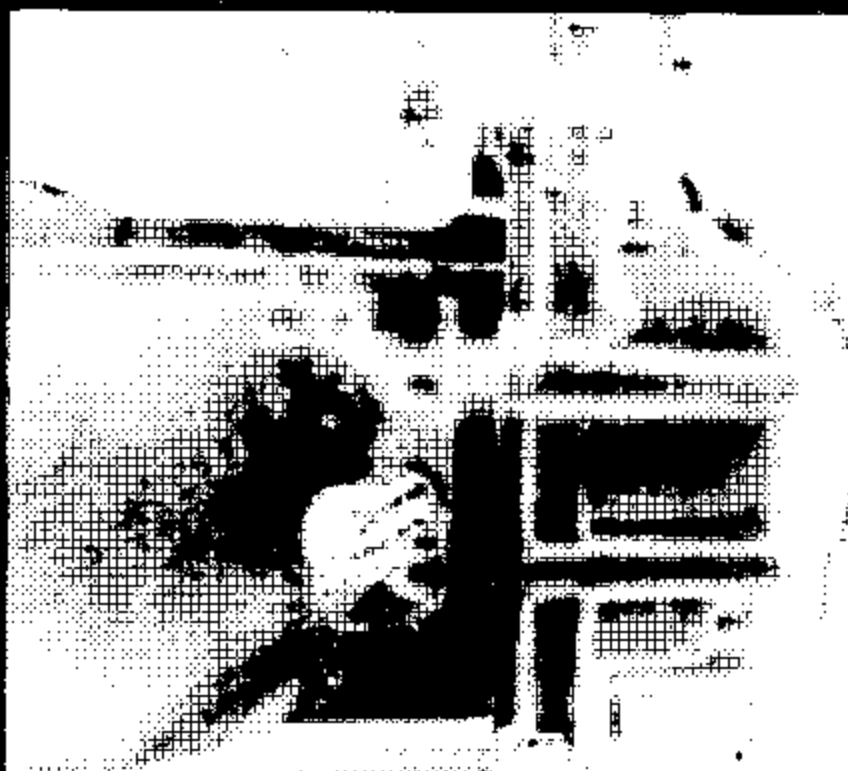

What Is Not Covered

This limited warranty does not cover:

- Claims that do not include documented proof of purchase date, repair date, and vehicle mileage at the time of installation

- [illegible]
