RE: Death of [REDACTED]
Date: August 29, 2003
Vehicle ID number: JT4VN01DXM2 [REDACTED]

To Whom It May Concern:

We were not notified about recall of said vehicle until January 26, 2006.

Said vehicle was purchased on December 27, 1998. It is our contention that faulty steering relay rod replacement was the cause of the death of our son. We might further add that Under GA. Law 51-1-11 that the manufacturer is responsible for giving notice to owners of vehicle. We only received notice of said recall on January 26, 2006. We have your original notice as of that date. We are requesting that your representative contact us in regard of the untimely vehicle death of our son.

We are enclosing a copy of a tag receipt and a copy of the State Patrols report.

We appreciate your contacting us in that respect.
