Gentlemen:

I noticed that you posted my letter of April 14, 2006 with the completed NHTSA form on your web site. You did an excellent job of removing personal information from the copy you posted – and there was a lot of information to examine. This is a good idea as it prevents our getting crank calls from misguided people.

You did overlook blacking over our name, [redacted] in two spots in my cover letter:

- 1) Page 5 of your PDA file at my paragraph labeled "3)"
- 2) Page 6 of your PDA file at my paragraph labeled "4)"

*Done
~~ADA~~*

If possible, would you please black out these two items. Thank you for your help in this matter. I hope our contribution will help in your efforts to improve auto safety.

Sincerely,

[redacted signature block]
