Subject: Recall on Dodge Caravan Body Paint

Hello Alberto,

Could you please help answer this consumer's email question at your earliest convenience?

[REDACTED]

Thank you very much,
Dameko America

I currently own a 1196 Dodge Caravan and the paint on the top of the van is peeling very badly. I was told by a friend whose cousin owns a dodge also that there was a recall on the paint job. Can you tell me if this is true or not? If so, who would I contact to get this taken care of, because I was never informed of that particular recall.

Thank you for your assistance,
