Dear Sir or Madam:

A friend of mine down-loaded a group of complaints made to your organization dealing with defects in the 2003 Ford Ranger. These complaints were similar to what had happened to me. Unfortunately I was eventually convicted of vehicular assault due to an accident caused by the defect in my Ford Ranger.

I am presently on appeal and in order to perfect my appeal I would like to be able to contact some of the people who had made previous complaints to you. However, your internet information does not contain the names and addresses of those people.

I am writing to see if you could forward to me the names and addresses of those who had lodged complaints dealing with 2003 Ford Rangers?

Any information you can give me about this would be greatly appreciated.

In closing I wish to thank you for your time and trouble in this matter.

Very truly yours,

[REDACTED]

Margaret
