Dear BBB ^{2004 APR -6 AM 8:48} Auto June

I bought
a used ¹⁹⁹¹ ~~Tempo~~ Ford at Will
Adeal. Paid just \$900.00 for
it. But when I bought the car
they did not tell me it had
lots of defects. And they
would not try to resolve it.
They just were trying to get
rid of the car. The car really
should have been at a ~~Salv~~-
age place or dump. The first
car I bought from them got
stolen after I put all new
parts into it. never recou
ered it 1978 Bonneville Ponti-
ac. Due to family. Sisters
Jinda Cancer + Paris Santi-
ago. also paid \$900.00 for it.
And I did so back to them
people. They still wouldn't give
me another car. Or try to fix
it. 4901 2nd Ave. So. 761-

trying, I knew they had a lemon
on law. But so far it has not
stopped them. There wisby
washy blondes. There after
money. That's all they see
is green. The car was also
broke into on there lot. Some
one was trying to steal the
law. Them ~~was~~ were not tell
ing the truth. I believe that
something can be done about
it. not through the police
stations. Be cause they do
not care. Hope, to hear
from you.
