Update -

I just received a call from my
nationwide Adjuster in Jackson, TN.

Jammy Price 731-512-0990

that now Ms. Cunningham is claiming
to be injured from this accident.

This is completely bogus - she was
bouncing around the parking lot
as was the gentleman in the vehicle
with her but just something else
to contend with because of the malfunction.
I told her it still has not been fixed.
Unfortunately, I still don't know how to
find out how to insure it doesn't happen
again.
