RE: Safety Recall E23--High Pressure Power Steering Hose

To Whom It May Concern:

On Fathers Day 2005 as I was taking my daughter to soccer camp at the University of Kentucky in Lexington, my 2000 Chrysler Cirrus caught fire in part due to problems with a faulty power steering hose.

I wrote Daimler Chrysler last June and you ignored the problem. A week ago I received a recall notice --Notification Code E23, relating to the High Pressure Power Steering Hose.

As a result of the fire, the Lexington-Fayette County Fire Department had to be called and the car was totaled.

This letter is written in order to negotiate my damages as a result of this fire. My VIN number was 1C3EJ46X8YN [REDACTED] for the 2000 Chrysler Cirrus.

Please contact the undersigned at the address above or by e-mail at

[REDACTED] or [REDACTED]

Thank-you for your attention to this matter.

Sincerely,
