Re: Request to Re-open Complaint Against Daimler/Chrysler

You sent me a two-page reply letter, which was in my favor and contained some suggestions and general advice or directions. And someone removed the original and copies of the letter. This has been the plight of my life for years. Please re-send me an original or a copy of what was sent. If you can send me a copy of the entire file in your possession, I will appreciate it.

I still have the envelope. Enclosed please find a copy of the envelope.

Thank you,
