Safety Recall Notice Lanos, Nubira, Leganza

SECOND NOTICE

Dear Lanos, Nubira, and Leganza Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. We are writing as a follow-up to an earlier communication regarding this important subject. Our records indicate that you have not yet made your Daewoo vehicle available to your Daewoo Dealer or Authorized Service Center (ASC) allowing them to perform this important safety-related repair.

Daewoo has decided that a defect which relates to motor vehicle safety exists in certain Lanos, Nubira and Leganza model vehicles.

The problem is with the Camshaft Position (CMP) Sensor that is installed in your Daewoo vehicle. The CMP sensor sends a signal to the engine control module (ECM). The ECM uses this signal as "sync pulse" to trigger the fuel injectors in the proper sequence. In rare instances, due to a possible crack in the C2 capacitor attached to the Camshaft Position Sensor PC board, the Camshaft Position Sensor may malfunction, which will cause the Check Engine Warning Light in your instrument panel to illuminate. Additionally, the Camshaft Position Sensor and wiring may melt resulting in a burning smell and/or visible smoke and possibly an underhood fire.

The following Lanos, Nubira, and Leganza vehicles are included in this recall:

- Lanos (VIN* numbers 158465 to 715658)
 - Nubira (VIN* numbers 157058 to 778128)
 - Leganza (VIN* numbers 105594 to 332662)
- * VIN=Vehicle Identification Number

Because your safety is very important to Daewoo, we urge you to have your vehicle repaired immediately. Your Daewoo Dealer or Authorized Service Center (ASC) will replace the Camshaft Position Sensor and add an in-line fuse to the Camshaft Position Sensor wiring.

This service will be performed for you at no charge and should take about one hour. Thus, to minimize waiting time, you are advised to make an appointment with your Daewoo Dealer or Authorized Service Center (ASC), in advance. For assistance in locating a Daewoo Dealer or Authorized Service Center (ASC) in your area, please visit the Daewoo website at www.daewoous.com and click on the "Service/Part Locator" link. Additionally, the Daewoo website provides information on other recall actions that may be applicable to your Daewoo vehicle. Simply click on the "Owners" link and follow the prompts.

If, however, you take your vehicle to your Daewoo Dealer or Authorized Service Center (ASC) on the scheduled service date and you have a problem with obtaining the corrective service on that date, please contact the Daewoo Customer Assistance Center toll-free at (877) 362-1234, option 6. A Daewoo representative will assist you with arranging prompt service for your vehicle.

The enclosed Owner Reply Card identifies your vehicle. Presenting the card at the time of your service will assist your Daewoo Dealer in completing this procedure in the shortest time possible. If you have sold or traded your vehicle, please let us know by completing the enclosed postage-paid reply card and returning it to us.

If you are the owner of the subject vehicle, but have leased it to another person, you are required by federal law to forward a copy of this notice to your lessee by first class mail within ten days of your receipt of this letter. See 49 C.F.R. 577.7(a)(2)(iv).

If you believe that Daewoo has failed or is unable to remedy the defect described in this letter without charge within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, S.W., Washington, D.C. 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We apologize for any inconvenience this may cause you. We have taken this initiative in the interest of your safety and continued satisfaction with your Daewoo vehicle.

Sincerely,

Daewoo Customer Relations Department
