The Privacy Act of 1974-Public Law 93-579 This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I was driving on an 8 lane expressway 696 outside of Detroit, Michigan during heavy rush hour. My Van dropped out from 70 mph to 40⁴⁵ mph. I had semi's merging in, cars passing on my right & left blowing their horns & giving me the finger. I was unable to accelerate and no where to pull off. - I considered this life threatening
