S i r :

This is to inquire regarding the above vehicle incorrect information for the National Highway Traffic Safety Administration (NHTSA) in the " Safety Defects Reporting"

I am so worried about this matter and I did not even want to drive out this vehicle since I received this Consumer Information letter. Please give me a detail information and put it in writting how reliable and safe to drive this vehicle.

Enclose herewith a zerox copy of "Important Consumer Information" I received from your office for your reference.

Your kind attention and immediate respond of the above will be greatly appreciated.

Sincerely

The owner's manual that came with your vehicle may have contained incorrect contact information for the National Highway Traffic Safety Administration (NHTSA) in the "Safety Defects, Reporting" section. The paragraph below has the correct information:

To contact NHTSA, you may call the Vehicle Safety Hotline toll-free at 1-888-327-4236 (TTY: 1-800-424-9153); go to <http://www.safercar.gov>; or write to: Administrator, National Highway Traffic Safety Administration, U.S. Department of Transportation, Washington, DC 20590. You can also obtain other information about motor vehicle safety from <http://www.safercar.gov>.

This card should be kept in the owner's manual. For placement, please consult the index in your owner's manual for the section titled "Safety Defects, Reporting."

We apologize for any inconvenience this error may cause you. If you have questions, please contact your dealer.

Thank you.
