Dear N.H.T.S. A

I am writing to see if you
can give me information on
accy.

I have a 2002 Dodge
INTERPID Engine 2.7L iter
24 VDOHC-ALUM BLK
STK-59905A - DL [REDACTED]

Has a floor shift Automatic
transmission. I have heard
there is problem with the
engine not holding up.

Abt. paint I have about
38,504 miles only.

So if you can tell if there is
any problem with model or
recalls, please let me know.

Thank You
