Dear Ms. Nason:

I am writing regarding a safety issue brought to my attention by a constituent, [REDACTED] and her son both have recently had to replace the regulator on the window of each of their Mercury Grand Marquis.

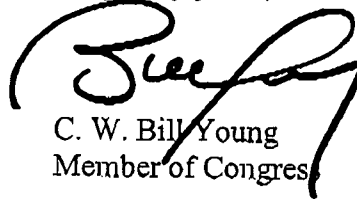

[REDACTED]'s mechanic told her he had replaced over one hundred of these regulators on the Mercury Grand Marquis, and that the problem merited a recall.

I would appreciate your providing me with the statistics regarding this problem with the Mercury Grand Marquis, and clarifying whether a recall will be ordered for this problem.

Thank you for your assistance in this matter.

With best wishes and personal regards, I am

Very truly yours,

C. W. Bill Young
