Please make the following corrections to Complaint #10172646, copy enclosed.

**Complaint Information:**

Description: The 2005 Toyota Camry car was rear-ended at a high rate of speed, while the Camry was stopped for a left turn. The left side and front of the car were also damaged. No airbags were activated—neither the front nor the side curtains. Also, the driver's seat was broken and in a horizontal position following the impact. The Camry was declared totaled by the insurance company. I have pictures of the damaged car.

**Vehicle Information:**
