Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Ford says recall had been fixed. Truck burned beyond investigation so no claim to be filed. I have 28 pics which Ford consumer affairs has copies of which I can still e-mail if needed. Police & fire reports can be obtain if necessary. If it wasn't the cruise control then why did my truck burn. Ford offers me a few grand off a brand new vehicle a Big deal. I'm out business for entire years income.
