NARRATIVE DESCRIPTION OF FAILURE(S), ACCIDENT(S), INJURY(IES)

Chrysler Dealer told me not to use my Tilt Wheel, because it will break the wire's again, in the steering column, it will cause head lights to go out. again.

Also -

at the present time my Seat Belts will not work - Both Driver + Passenger Side

all Chrysler tells me is I am out of Warranty.

This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may

be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.
