If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Was driving vehicle short distance approx 5 miles. Had shut off vehicle & got out of car to get something. My wife who was waiting in car began to see smoke & fire. She got out of vehicle & began to yell at me, I quickly got water hose and extinguished fire. Total Repair damages were around \$700.00 waiting for exact total still. Further, I am fearful still that this might happen again.
