RE: 06
RELAC
06041

TO WHOM IT MAY CONCERN!

2007 AUG -8 AM 10:18

I RECEIVED A RECALL NOTICE ON MY WIFE'S NEW CORVETTE, I CALLED G.M. AND TALKED TO A REP ABOUT MY PROBLEM "CWT # 71-430307413", I WAS GIVEN THIS "REF#"

I CALLED THE DEALER I PURCHASED THE VEHICLE FROM, WASTE OF TIME! "BRUCE GLICH"

I CALLED ON ANOTHER DEALER, THEY DIDN'T HAVE A BODY SHOP AS WAS THE ANSWER FROM MY DEALER

I THEN WENT TO A DEALER W/ BODY SHOP IT WAS MESSY, AFTER TALKING W/ BODY SHOP ADVISOR AND THE SEQUENCE OF EVENTS TO FOLLOW THERE AFTER I BELIEVE THE SAFETY OF MY REPAIRS TOP. WOULD NOT BE ACCEPTABLE WITHOUT "FACTORY TESTING" LIKE OTHER "MAIN COMPONENTS" THAT COULD FLY OFF!

I HAVE 3000 MILES ON THIS "NEW" CAR AND MY WIFE WANTS DRIVE IT! I NEED REAL ANSWERS, AS I AM QUICKLY BECOMING DISAPPOINTED IN "G.M.", THE ATTITUDE AND LACK OF CONCERN ABOUT THIS MATTER, DISCUSSION ON MY OTHER (3) G.M VEHICLES, IS WHAT IS LEADING CUSTOMERS TO OTHER BRANDS OF CARS!

STILL DISSATISFIED // 1

SAFETY RECALL NOTICE

October 2006

Leesburg, FL

Dear :

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect that relates to motor vehicle safety exists in certain 2006 model year Chevrolet Corvette vehicles equipped with a body-color roof. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we have taken this action for your safety and continued satisfaction with our products.

IMPORTANT

- Your 2006 model year Chevrolet Corvette, VIN 1G1YY26U065 is involved in safety recall 06041.
- Schedule an appointment with your Chevrolet dealer.
- This service will be performed for you at **no charge.**

Why is your vehicle being recalled?

Your vehicle may have a condition in which the adhesive between the roof panel and the frame may separate. If there is a partial separation, you may notice one or more symptoms, such as a snapping noise when driving over bumps, wind noise, poor roof panel fit, roof panel movement/bounce when a door or hatch is closed, or a water leak in the headliner. If there is a complete separation, the roof panel may detach from the vehicle. If this were to occur while the vehicle was being driven, it could strike a following vehicle and cause injury and property damage.

What will we do?

Your Chevrolet dealer will apply adhesive foam to ensure the proper adhesion, or, if signs of separation are found, your dealer will install a new design roof panel.

This service will be performed for you at **no charge.** Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual inspection and service correction time of approximately 25 minutes to 2 ½ hours, depending on the repair required.

100 Renaissance Center, P.O. Box 100, Detroit, MI 48265-1000

If your vehicle is within the New Vehicle Limited Warranty your dealer may provide you with shuttle service or some other form of courtesy transportation while your vehicle is at the dealership for this repair. Please refer to your Owner's Manual and your dealer for details on courtesy transportation.

What should you do?

You should contact your Chevrolet dealer to arrange a service appointment as soon as possible. Bring the enclosed customer reply form with you when you visit your dealer. The form identifies the repairs required. If you no longer own this vehicle, please let us know by completing the form and mailing it back to us.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact the Chevrolet Customer Assistance Center at 1.800.630.2438. The deaf, hearing impaired, or speech impaired should call Text Telephone (TTY), 1.800.833.2438. More information about this recall can be found at the Owner Center at MyGMLink, <http://www.gm.com/recall>.

If after contacting your dealer and the Customer Assistance Center, you are still not satisfied we have done our best to remedy this condition without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 400 Seventh St., SW, Washington DC 20590, or call the toll-free Vehicle Safety Hotline at 1.888.327.4236 (TTY 1.800.424.9153), or go to <http://www.safercar.gov>.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
