Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I called in on this report for the Ramplage. I take care of the person that owns this car. His name is [REDACTED]. I take care of his matters. I would like to see if we can do something about the problem we had with this car. I call Dodge and Chrysler Company's and ask about the Recall which showed on the insurance papers. They seem to not have any knowledge on this matter. The whole front of the inside where the motor is burned. The insurance informed me that it was from Gas. Thank God the person got out before the whole car burned. Thank you for your time making this report for him.
