I am w/m age 76 yrs old.
I WENT to Roll Down my Rear Side
Passenger Window for the FIRST TIME
the Window fell. Took it had it Checked
they ADVISED PART THAT CONTROLS Power
Windows were Broken. (wires/cable)

Buick this was done AT factory when
Veh was made. I had never RAISED the
Window Down. I hope Buick will SEND
me one or to the WELBORN Chev & Buick
This was a Defect from the Factory
