Subject: Air Bag Failure

I was involved in a MVA that occurred on 8-22-07 where I collided into another car at 25 to 30 mph. When the front of my truck struck the back of the other car my air bags failed to deploy. I cannot find where to go to get this very serious safety issue taken care of. I drive a Dodge 2002 Ram truck ID# 3D7H18N82G[REDACTED]. Please tell me who to contact to have this very serious safety issue resolved. Thank you for your attention to this matter. My contact information is as follows:
