Clinton closed

to whom it may
concern May 1991 ply Vayler
it does not have 100,000 -
Miles on it yet the Tron
slipper my Stern shiper
is Brake because it has
a Rubber on the shift lever
it does not work at all
to shift it by P-R-N-D
it ~~was~~ doing ~~what~~
Winter from cold it hard
Rubber also on the Tron
slipper over

we had it check they
said it clutches slipp
if it does then it was like
when I bought 1992-
This happen 4 year ago

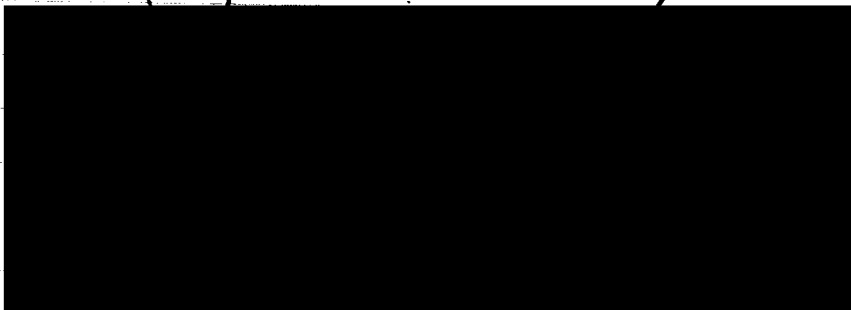

I wrote Chrysler please
about it some times I
change transmission some times

But it still slip a little
I brought it at the dealership

MANAGEMENT. I also wrote
to Customer Relations at Chrysler
Motor P.O. Box 1718 Detroit MI
48208 and I also
contact

③

and then the arbitration
~~to~~ I wrote Selma letter
to these people so many
letter. and it come back
saying no unless I keep
relucting these people so many
the come back I wrote so
many letters till I blue
is free
Yours truly
