Dear [REDACTED]:

Thank you for your correspondence dated November 7, 2007, concerning your model year (MY) 2007 Jaguar XK vehicle. The New York Office of the Attorney General forwarded your correspondence to the National Highway Traffic Safety Administration's (NHTSA) Office of Defects Investigation. Your correspondence was received on December 27, 2007.

NHTSA is the Federal agency responsible for improving safety on our Nation's highways. We are authorized to order manufacturers to recall and repair vehicles or items of motor vehicle equipment when our investigations indicate that they contain serious safety defects in their design, construction, or performance. However, we cannot act on isolated problems or resolve disputes between individual owners, dealers, or manufacturers.

We appreciate the report you provided. Reports from motorists are a very important source of information for us. Each report is analyzed and entered into a database to determine whether an investigation into a possible safety defect or safety defect recall adequacy is warranted.

We have reviewed our database in an effort to identify whether a safety defect trend exists with regard to the dashboard reflection in MY 2007 Jaguar XK vehicles. There are no other similar complaints in our database; therefore, providing insufficient evidence to warrant opening a safety defect investigation at this time. The information you provided has been entered into our database. It will be considered with future reports to identify any safety defect trends that may require our attention.

If you have not done so, you may consider contacting your local Consumer Protection Agency and Better Business Bureau regarding your problem.

Should you encounter a safety-related problem with a motor vehicle or item of motor vehicle equipment in the future, you can complete an electronic Vehicle Owner's Questionnaire online at <http://www.nhtsa.dot.gov/ivoq>. Also, a summary listing of vehicle owners' complaints, safety recalls, manufacturers' service bulletins, etc. can be obtained at <http://www.nhtsa.dot.gov/cars/problems>.

Sincerely,

A handwritten signature in black ink that reads "Ronald B. Fields". The signature is written in a cursive style with a large initial "R" and "F".

Ronald B. Fields, Chief
