Dear Sir:

Please be advised that [REDACTED] was involved in an accident on February 12, 2008. At the time of the accident, he was operating a 2005 Chevrolet Express Van 2500, with VIN#1GCGG25V051[REDACTED]. At the time of the crash, the seatbelt failed to retract and the airbag failed to deploy. The crash resulted in a frontal impact. There was extensive damage to the front of the vehicle and neither safety device worked in the vehicle. We would like to determine whether or not there have been other significant crashes similar to [REDACTED], where the safety equipment failed. I have enclosed copies of photographs of the vehicle for your review. Should you desire to conduct any inspection of the vehicle, we will make it available to you.

Respectfully submitted,

NL:mfg
