I talked to representative about my 1994
 Lincoln Town Car I Explained to the
 representative told them what happy to
 my town Car it burned the motor
 up in my Car I tried to put the fuse
 out but it ruen the motor They
 really didn't Care I've bought Fords
 all my life ^{IM} 49 year old I've always
 like Fords I surely thought They would
 have a little respect for my Town Car
 all I want for them to do is the
 right thing give me a least 500.00
 dollar for my motor I'm not asking for
 new motor just a little Compassion
 for me if you can help me I'd be
 pleased

I thank you
