Re: [REDACTED] Automobile Accident Fatality, 4/19/2008, Flint, Michigan

Dear Secretary Peters,

On behalf of our family, I am requesting a thorough investigation by the appropriate United States agency (NHTSA, etc.) of the April 19, 2008 automobile accident wherein my mother-in-law, [REDACTED], was killed in her 2005 Toyota Camry (VIN#4T1BE32K95U [REDACTED]).

The cause of death was blunt trauma caused by the collision of [REDACTED] Camry, which was estimated to have been traveling at a speed in excess of 70 miles per hour, and a tree on Copeman Boulevard a residential street in Flint, Michigan. No other vehicles were involved.

We would like to know all the readings of the vehicles Event Data Recorder and whether vehicle malfunction and/or vehicle crash worthiness contributed to the accident and death.

I can be reached at the above address or by daytime phone [REDACTED]

Thank you for your time and consideration.

Sincerely,
[REDACTED]
