Room W85-332

Dear Mr. Gros,

I am writing to you as a result of correspondence I received from my constituent [REDACTED] owns a 2008 Mini Cooper and she recently suffered a bad burn on her leg when her leg came in contact with the protruding tailpipe of her vehicle. It is my understanding that NHTSA has opened an investigation about the tailpipe of this exhaust system. I am writing to request information regarding this investigation and to learn the general timeframe for when we can expect the investigation to be completed. Not only am I concerned about my constituent who reported her burn, but also other Mini Cooper drivers who suffered burns but did not report them to NHTSA.

Should you have any questions or need any further information, please contact my Kingston District Office. All written replies should be directed to the Kingston address below. Thank you for any assistance you may have.

Sincerely,

Maurice D. Hinchey
