Please describe (1) events leading up to the failure, (2) failure and its consequences, and (3) what was done to correct the failure; i.e., parts repaired or replaced (and if old part is available).

TL*THE CONTACT OWNS A 2006 DUTCHMEN 34R (NA) CAMPER. WHILE DRIVING LESS THAN 65 MPH, THE ROOF OF THE CAB DROPPED APPROXIMATELY ONE INCH. THE OUTSIDE AIR BEGAN BLOWING INSIDE OF THE VEHICLE, WHICH CREATED MASSIVE WIND CIRCULATION. APPROXIMATELY ONE YEAR AGO, FOUR SCREWS DETACHED FROM THE TELEVISION OVERHEAD COMPONENT AND FELL ON THE PASSENGER. SHE SUSTAINED MASSIVE INJURIES AND UNDERWENT SURGERY ON HER NECK AND SHOULDER. THE FAILURE AND CURRENT MILEAGES WERE LESS THAN 30,000.

Include, if available: Police/Fire Department Report, Photos, and Repair Invoice.

VEHICLE LOADING: Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

DRY WEIGHTS: Based on standard features; optional equipment not included. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options, and cargo. Liquid capacities and weights are approximations only.

WARNING: This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing, and towing instructions.

IMPORTANT: Towing capacity may vary by chassis model, floorplan, options and loading of the vehicle. This may result in a towing capacity which is less than the maximum capacity of the hitch. Do not exceed the vehicle's Gross Combined Weight Rating (GCWR), or the hitch rating. A separate functioning brake system is required for any towed vehicle or trailer weighing more than 1,000 lbs (450 KG) when fully loaded.

Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some feature that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada.

ADDITIONAL TERMS OF THIS CONTRACT AND SECURITY AGREEMENT

GENERAL TERMS: You have been given the opportunity to purchase the Vehicle and described services for the Cash Sale Price or the Total Sale Price. The Total Sale Price is the total price of the Vehicle and any services if you buy them over time. You agreed to purchase the items over time. The Total Sale Price shown in the TRUTH IN LENDING DISCLOSURES assumes that all payments will be made as scheduled. The actual amount you will pay may be more or less depending on your payment record.

We do not intend to charge or collect, and you do not agree to pay, any credit service charge or fee, that is more than the maximum amount permitted for this sale by state or federal law. If you pay a credit service charge or fee that is contrary to this provision, we will, instead, apply it first to reduce the principal balance, and when the principal has been paid in full, refund it to you.

You understand and agree that some payments to third parties as a part of this contract may involve money retained by us or paid back to us as commissions or other remuneration.

If any section or provision of this Contract is not enforceable, the other terms will remain part of this Contract.

DOWN PAYMENT: You agree to pay, or apply to the Cash Sale price, on or before today's date, any Cash Down Payment, Manufacturer's Rebate and Net Trade-In value described in the Itemization of Amount Financed on page 1. You agree to pay any Deferred Down Payment described in the Itemization of Amount Financed according to the Payment Schedule shown on page 1.

PREPAYMENT: You may prepay this Contract in full or in part at any time. If you prepay in full or if you default and we demand payment of the unpaid balance, you may be entitled to a refund credit of the unearned portion of the credit service charge. Any partial prepayment will not excuse any later scheduled payments until you pay in full.

A refund of any prepaid, unearned insurance premiums may be obtained from us or from the insurance company named in your policy or certificate of insurance.

OWNERSHIP AND DUTIES TOWARD PROPERTY: By giving us a security interest in the Property, you represent and agree to the following:

- Our security interest will not extend to consumer goods unless you acquire rights to them within 10 days after we enter into this Contract, or they are installed in or affixed to the Vehicle.
- You will defend our interests in the Property against claims made by anyone else. You will do whatever is necessary to keep our claim to the Property ahead of the claim of anyone else.
- The security interest you are giving us in the Property comes ahead of the claim of any other of your general or secured creditors. You agree to sign any additional documents or provide us with any additional information we may require to keep our claim to the Property ahead of the claim of anyone else. You will not do anything to change our interest in the Property.
- You will keep the Property in your possession in good condition and repair. You will use the Property for its intended and lawful purposes. Unless otherwise agreed in writing, the Property will be located at your address listed on page 1 of this Contract.
- You will not attempt to sell the Property (unless it is properly identified inventory) or otherwise transfer any rights in the Property to anyone else, without our prior written consent.
- You will pay all taxes and assessments on the Property as they become due.
- You will notify us of any loss or damage to the Property. You will provide us reasonable access to the Property for the purpose of inspection. Our entry and inspection must be accomplished lawfully, and without breaching the peace.

DEFAULT: You will be in default on this Contract if any one of the following occurs (except as prohibited by law):

- You fail to perform any obligation that you have undertaken in this Contract.
- We, in good faith, believe that you cannot, or will not, pay or perform the obligations you have agreed to in this Contract.

If you default, you agree to pay our costs for collecting amounts owing. If we refer this Contract to an attorney that is not a salaried employee of ours, this amount includes reasonable attorneys' fees awarded by a court up to 15% of the unpaid balance, plus the court costs.

If an event of default occurs as to any one of you, we may exercise our remedies against any or all of you.

REMEDIES: If you are in default on this Contract, we have all of the remedies provided by law and this Contract:

- We may require you to immediately pay us, subject to any refund required by law, the remaining unpaid balance of the amount financed, credit service charges and all other agreed charges. If your default is due solely to your failure to make timely installment payments and we have repossessed the Property, our right to accelerate is subject to your right to redeem the Property as provided by law.

peace or unlawfully enter onto your premises. We may then sell the Property and apply what we receive as provided by law to our reasonable expenses and then toward your obligations.

- Except when prohibited by law, we may sue you for additional amounts if the proceeds of a sale do not pay all of the amounts you owe us.

By choosing any one or more of these remedies, we do not waive our right to later use another remedy. By deciding not to use any remedy, we do not give up our right to consider the event a default if it happens again.

You agree that if any notice is required to be given to you of an intended sale or transfer of the Property, notice is reasonable if mailed to your last known address, as reflected in our records, at least 10 days before the date of the intended sale or transfer (or such other period of time as is required by law).

You agree that, subject to your right to recover such property, we may take possession of personal property left in or on the Property securing this Contract and taken into possession as provided above.

INSURANCE: You agree to buy property insurance on the Property protecting against loss and physical damage and subject to a maximum deductible amount indicated in the PROPERTY INSURANCE section, or as we will otherwise require. You will name us as loss payee on any such policy. In the event of loss or damage to the Property, we may require additional security or assurances of payment before we allow insurance proceeds to be used to repair or replace the Property. You may purchase or provide the insurance through any insurance company reasonably acceptable to us. You will keep the insurance in full force and effect until this Contract is paid in full.

If you fail to obtain or maintain this insurance, or name us as a loss payee, we may obtain insurance to protect our interest in the Property. This insurance may include coverages not required of you. This insurance may be written by a company other than one you would choose. It may be written at a rate higher than a rate you could obtain if you purchased the property insurance required by this Contract. We will add the premium for this insurance to the amount you owe us. Any amount we pay will be due within 10 days, or it will be added to the amount financed. This amount will earn finance charges from the date paid at the post-maturity rate described in the PROMISE TO PAY AND PAYMENT TERMS section until paid in full.

OBLIGATIONS INDEPENDENT: Each person who signs this Contract agrees to pay this Contract according to its terms. This means the following:

- You must pay this Contract even if someone else has also signed it.
- We may release any co-buyer or guarantor and you will still be obligated to pay this Contract.
- We may release any security and you will still be obligated to pay this Contract.
- If we give up any of our rights, it will not affect your duty to pay this Contract.
- If we extend new credit or renew this Contract, it will not affect your duty to pay this Contract.

WARRANTY: Warranty information is provided to you separately.

WAIVER: To the extent permitted by law, you agree to give up your rights to require us to do certain things. We are not required to: (1) demand payment of amounts due; (2) give notice that amounts due have not been paid, or have not been paid in the appropriate amount, time or manner; or, (3) give notice that we intend to make, or are making, this Contract immediately due.

THIRD PARTY AGREEMENT

By signing below you agree to give us a security interest in the Property described in the SALE section. You also agree to the terms of this Contract, including the WAIVER section above, except that you will not be liable for the payments it requires. Your interest in the Property may be used to satisfy the Buyer's obligation. You agree that we may renew, extend, change this Contract, or release any party or property without releasing you from this Contract. We may take these steps without notice or demand upon you.

You acknowledge receipt of a completed copy of this Contract.

I got told it was caused by driver error. Told me
on what gears to put transmission in on hills. I
paid a bill for \$4.00 I drive truck for a living
Also told them it wasn't shifting right. When you come
to a hill it lugs down. It finally shifts up one gear then
immediately shifts again, the engine races and off you go.
This albion dealer didn't want to listen. When I got back
to Syracuse ~~Company~~ World fell on deaf ears. Went to
Florida it heated up again got off main roads slowed
down seemed to cool down. At 26,000 miles I took
motor home to Vicia Mack in Mary 27. They changed
transmission oil and filter. They found filter laying
in bottom of transmission. They couldn't believe I didn't
turn transmission up. Now transmission shifts normal.

We were going to races in Charlotte NC. We left
home my wife put bedroom slide in, worked alright.
Bullied into KOA campground in Hollywood Virginia.
Barked tried to put ^{bedroom} slide out wouldn't move. Found
a little oil on compartment hinges when I opened compartment
a little oil drops on one hydraulic hose, pulled hydraulic
reservoir, still didn't work. The next morning called
Syracuse ~~Company~~ (Kangaroo World) told me to take it to
Statesville NC to have it looked at. They found the
leak. But it in ^{8:00 AM} their garage the next morning. They
fixed (put in two new hoses reinforced with steel), at
16:00 we headed for Charlotte NC, \$922.00 bill paid.
Hoses wore through where they went through bedroom floor.
Thank You

me to stop and buy a 2nd V or bring vehicle back to V.S. and have Camping World ~~into~~ install a new one. Stopped in Illinois on way home to get more powerful pain pills. She had rotocuff operation on shoulder. Spared alot of ~~the~~ weighten pain pills. ~~was~~ ^{year} ~~due~~ ^{for} Winds got \$11,000 minus attorneys fees. I felt lucky I didn't crash or get killed when 27" 2nd V fell. I called camping world to have them notify any other motorhome owners and/or have a recall. When they installed new 2nd V in Syracuse they fastened with two screws. The 2nd V would rock back and forth when I pulled on top. I took it back I think they glued it down.

The roof leaked in bedroom three times. It took two return trips to finally get fixed. Water came through ceiling in passengers side of cab and dropped on my wife. I believe a build up of water in ceiling from bedroom. When I went down steep hill water ran out. Water leaked in between truck cab and overhang.

The generator had to be repaired 3 times still runs out of gas with about 30 gals in tank.

The exhaust system had to be rehung twice once Syracuse and in Alaska. I had to wire to grip. When they mounted camper on truck they cut 1/2" rod hange replaced with light aluminum strap. Pieces of rod still weld to exhaust pipe.

The transmission oil heats coming out of Canada into Montana. Had to get in low gear to get to shoulder of road. Stayed there an hour with truck running transmission in. Cooked down 2 two days later took to Interstate Power Systems Missoula, Montana to get ~~buys~~ ^{buys} transmission checked out.

ADDITIONAL TERMS OF AGREEMENT

"I", "me", and "my" refer to the Buyer and Co-Buyer. "You" and "your" refer to the Seller / Dealer.

I agree this order is subject to the following terms:

1. **Trade-In Credit May Change.** If I do not deliver the trade-in vehicle to you when this Agreement is signed, I agree, that at the time the trade-in vehicle is delivered to you, should the value of my trade-in be materially diminished as a result of physical damage, alteration or deterioration in mechanical condition other than normal wear and tear, YOU HAVE THE RIGHT TO REAPPRAISE THE VEHICLE. AS A RESULT OF SUCH REAPPRAISAL, I UNDERSTAND THAT THE TRADE-IN ALLOWANCE ON MY VEHICLE MAY BE REDUCED AND THAT THIS WILL IN TURN INCREASE THE NET PRICE WHICH I WILL HAVE TO PAY FOR THE VEHICLE IF I DECIDE TO PURCHASE THE VEHICLE. If the trade-in credit is reduced and I am not satisfied, I understand that I can cancel this agreement IF the purchased vehicle has not been registered in my name or delivered to me or you have not accepted delivery of the trade-in vehicle.

2. **Trade-In; Buyer's Obligations.** At the time I deliver the trade-in vehicle to you, I promise to sign a Bill of Sale and a mileage certification statement and give you satisfactory proof that I own the vehicle. I warrant (guarantee) (a) that there are no liens on the trade-in vehicle and that I owe no one any money for the vehicle or repairs to the vehicle, except as may be shown on the face of this agreement; (b) that the trade-in vehicle does not have a welded or bent frame and that the motor block is not cracked, welded or repaired; and (c) that the vehicle has not been flood damaged or declared a total loss for insurance purposes; and (d) that emission control devices have not been altered and/or removed, and nothing has been removed from the trade, including all seat belts that was originally seen. The engine and/or transmission has not been tampered with to pass your inspection. I further warrant that any vehicle I trade to you is not a branded vehicle and no such brand (i.e. *Warranty Non-Conformity; Reconstructed; Non-USA-Std; Exceeds Mechanical Limits; Not Actual Mileage*) appears on its Certificate of Title. You have told me you rely on this representation in accepting the trade-in vehicle.

3. **Buyer's Refusal to Purchase.** Unless this agreement is non-binding because you are arranging credit for me, I understand that the cash deposit I have given to you can be retained, in accordance with your refund policy, to offset your damages if I refuse to complete my purchase. I also understand that I may be responsible for any other damages which you may incur as a result of my failure to perform my obligations under the terms of this agreement.

4. **Delays in Delivery.** I understand that you shall not be liable for delays caused by the manufacturer, accidents, sureties, fires or other causes beyond your control. Provided you promptly place my order with the manufacturer and the manufacturer refuses to accept the order or fails to deliver the vehicle after accepting the order, upon your prompt notification and refund of my deposit, I will not hold you liable and this agreement shall be cancelled.

5. **Disclaimer of Warranties.** I UNDERSTAND THAT YOU EXPRESSLY DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND THAT YOU NEITHER ASSUME NOR AUTHORIZE ANY OTHER PERSON TO ASSUME FOR YOU ANY LIABILITY IN CONNECTION WITH THE SALE OF THE VEHICLE, except as otherwise provided in writing by YOU in an attachment to this Agreement or in a document delivered to ME when the vehicle is delivered.

Limitation on Implied Warranties. Some States do not allow either (1) Limitations on how long an implied warranty lasts or (2) the exclusion or limitation of incidental or consequential damages, so these limitations may not apply.

6. Price Changes.

(a) THE TOTAL CASH PRICE DELIVERED LESS THE TRADE-IN ALLOWANCE SHOWN ON THE FRONT OF THIS AGREEMENT IS THE FINAL CONTRACT PRICE TO WHICH YOU AND I HAVE AGREED, AND, IF THE VEHICLE IS A NEW MOTOR VEHICLE, NO ADDITIONAL FEE OR CHARGE WILL BE IMPOSED OR COLLECTED DUE TO CHANGES IN THE MANUFACTURER'S LIST PRICE, OR CHANGES IN THE COST OF FREIGHT OR SERVICE PROVIDED BY YOU.

(b) A REDUCTION IN THE VALUE OF THE TRADE-IN MAY RESULT IN AN INCREASE IN THE CASH PRICE DELIVERED I WILL HAVE TO PAY AS PROVIDED IN PARAGRAPH 1 OF THIS AGREEMENT.

(c) IF THE BALANCE I OWE ON MY TRADE-IN AT THE TIME OF DELIVERY OF THE TRADE-IN TO YOU IS DIFFERENT THAN THE AMOUNT I HAVE TOLD YOU AND WHICH AMOUNT IS SHOWN ON THE FRONT OF THIS AGREEMENT, THEN THE CASH PRICE DELIVERED OF THE VEHICLE I AM PURCHASING SHALL CHANGE ACCORDINGLY.

(d) IF THE REGISTRATION FEE VARIES FROM THE AMOUNT YOU HAVE ESTIMATED ON THE FRONT OF THIS AGREEMENT, THEN THE CASH PRICE DELIVERED SHALL CHANGE ACCORDINGLY.

(e) I AGREE THAT I WILL PAY THE FINAL CASH PRICE DELIVERED AS SHOWN ON THE FRONT OF THIS AGREEMENT. IF THERE HAVE BEEN ANY CHANGES IN THE TOTAL CASH PRICE DELIVERED FOR REASONS STATED IN THIS PARAGRAPH 6 THEN I WILL PAY THE CASH PRICE DELIVERED AS CHANGED BY ANY SUCH ADJUSTMENT. MY PAYMENT WILL BE EITHER IN CASH, BANK, OR CERTIFIED CHECK AT THE TIME OF DELIVERY OF THE VEHICLE I HAVE PURCHASED.

7. **Change of Design.** I understand that the manufacturer has the right to change the design of the vehicle, its chassis, accessories or any parts at any time without notice to YOU or ME. In the event of such change by the manufacturer, YOU shall have no duty to ME except to deliver the vehicle as made by the manufacturer.

8. **No Other Agreements.** There are no understandings or agreements between you and me other than those set forth in this Agreement and attachments to this Agreement if there are any such attachments. IF THIS AGREEMENT IS FOR A USED VEHICLE, THE INFORMATION YOU SEE ON THE (FEDERAL TRADE COMMISSION) WINDOW FORM IS PART OF THIS AGREEMENT. INFORMATION ON THE WINDOW FORM OVERRIDES ANY CONTRARY PROVISIONS IN THE CONTRACT OF SALE.

9. **New York Law Applies.** You and I agree that this Agreement is governed by New York State Law.
