Narrative Description of Incident(S), Crash(es), and Injury(ies).

Please describe (1) events leading up to the failure, (2) failure and its consequences, and (3) what was done to correct the failure; i.e., parts repaired or replaced (and if old part is available).

TL*THE CONTACT OWNS A 2004 (NA) NORTHWOOD NASH. THE CONTACT NOTICED THAT THE CORNER WAS BLACK ON THE TOP REAR PASSENGER SIDE OF THE VEHICLE. THE VEHICLE WAS DRIVEN TO THE DEALER AND THEY STATED THAT FROM THE TOP ALL THE WAY TO THE BOTTOM OF THE VEHICLE APPEARED TO BE AFFECTED DUE TO ROAD SHOCK. THE MECHANIC ALSO STATED THAT THE SHEET METAL WAS 3/4 OF AN INCH SHORT IN LENGTH, WHICH CAUSED THE STRUCTURE OF THE VEHICLE TO FALL APART. THE MANUFACTURER ADVISED HIM TO BRING THE VEHICLE TO THEIR REPAIR SHOP FOR INSPECTION. THE VEHICLE HAS NOT BEEN REPAIRED. THE VIN WAS UNKNOWN. THE CURRENT AND FAILURE MILEAGES WERE 5,000.

Include, if available: Police/Fire Department Report, Photos, and Repair Invoice.

November 17, 2008

SHIREMANSTOWN PA 

Our claim number : 
Our insured : 
Date of loss : 10/11/2008
Vehicle : 004 TRLCAM NASH 22H 1691

We have investigated the circumstances surrounding this loss. Based on the fact that the damage to your vehicle was not the result of a covered collision or comprehensive loss, we must respectfully deny your claim as there is no coverage. Please refer the below excerpt from page 7 of your policy that refers to Collision and Comprehensive (other than collision) losses.

B. "Collision" means the upset of your covered auto or a non-owned auto or their impact with another vehicle or object.

Loss caused by the following is considered other than collision:

1. Missiles or falling objects;
2. Fire;
3. Theft or larceny;
4. Explosion or earthquake;
5. Windstorm;
6. Hail, water or flood;
7. Malicious mischief or vandalism;
8. Riot or civil commotion;
9. Contact with bird or animal; or
10. Breakage of glass.

If breakage of glass is caused by a collision, you may elect to have it considered a loss caused by collision.

Please feel free to contact the undersigned adjuster with any questions. A copy of the appraisers report is enclosed.

Dear Manufacture Representative;

My Name is Arthur Etnoyer. My Company is Art Etnoyer's Mobile R.V. Repair.

I have been in the industry in repairs for 35 years. In this case their in no impact from any outside source. From the Top, Sides, or bottom of the unit. It appears that this corner separated from road shock or road vibration and looks like the sheet metal is about 3/4 inch short width wise. Please examine pictures and any questions please contact me at 717-433-7162 - Art Etnoyers Mobile R.V., Repair 284 Poplar St, Highspire, PA 17034

12/2/2008

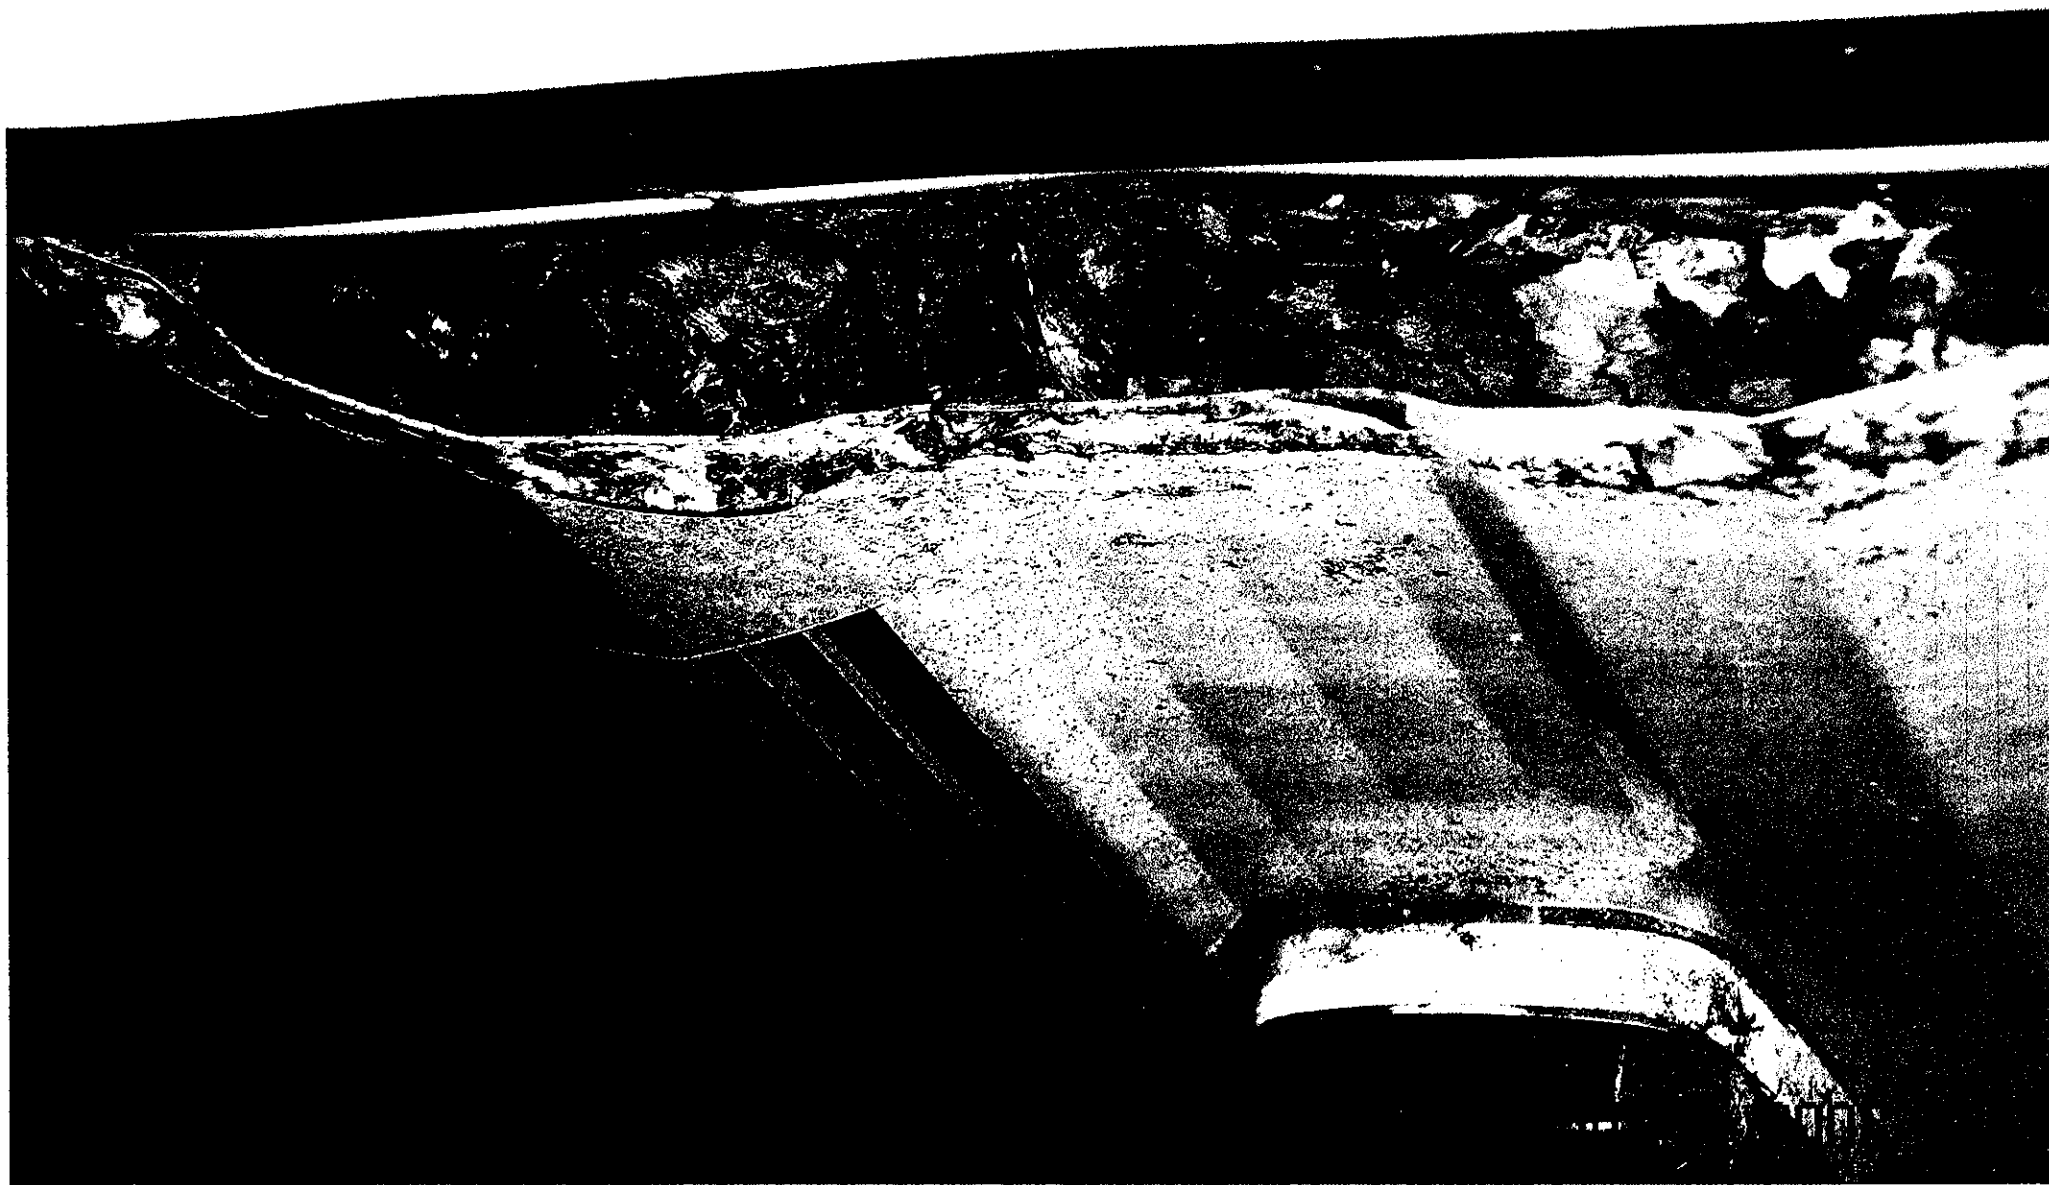

On Dec 1, 2008 we took the trailer to Northwood RV repair in Winchester Va. They inspected the trailer and decided to pay for the parts and we would pay for the labor 46 hours.

11/22/2008

Dear NHTSA;

This is my correspondence with Northwood. Emailed 19 photo's.

Dears Sirs;

We purchased the 2004 Northwood Nash 22H Travel Trailer in 2004 and we love the trailer. There seems to be a problem with the back corner on the passenger side near the roof. The outside back part of the trailer has separated from the seam. Is there any recalls on this problem? Is it under warranty?

The seam on the back of the trailer opened up during normal use. We have been camping for 40 years and never had a problem occur from a seam on a trailer opening up on its own. We have owned many used trailers, but the NASH was our first new RV. This why this is a defect.

Did you receive all 19 photo's? Were you able to view the photo's?
