To Whom It May Concern:

On Nov. 6th 08 I took My Mercury "2005"
Mercury to Holman Ford Turnersville NJ
because the Airbag light kept going
on & off.

They kept the Car for 4 days, which they
promised the next day.

The man that took care of me
had me coming & going. I live far.

I work, but I had to ask someone
to drive me there, also, I lost 4 days
work.

The man's name was Joe Fabotico.
On the 2nd day he gave me a price of
\$416⁰⁰ The day I picked it up, it
went up to \$426⁰⁰.

Another body shop told me it should
have cost \$30 the most,

you should check into your people as I
am very dissatisfied & disappointed w/ Ford.

I told all my family & friends & I will
not buy another Ford —
