To Whom it may Concern,
My name is [REDACTED] I bought a 2007 Ford Fusion Feb 16th 2008 from Boyd's Auto in Emporia Va., That was the best a in my life it was beautiful, Unfortunately in Dec. of 2008 my engine light came on and the engine just cut off in the middle of 301 highway, well to make a long story short it's been in the shop three times for that problem and they still can't find out what's wrong with it. While im still paying ~~on~~ on it, its still sitting in Owens Ford's shop in Sarrett Va. and just don't know what the problem is, So at the advice of my Attorney I was told to write you this letter in hopes that you can solve this problem.

Thanking you in advance
yours truly [REDACTED]
