RE: OUR CLIENT: [REDACTED]
D/INJURY : 7/20/2009

To Whom It May Concern:

Please accept this correspondence as notification of the dangerous position of the "tip-over" protectors that are located directly behind the motorcycle rider's feet on the Victory Vision Motorcycle.

As a result of the metal tip-over protectors placement on the motorcycle, the rider's feet can easily become pinned beneath the bike resulting in serious injury to the rider. No warning of such danger exists to date.

The Model Number of the motorcycle is Victory-08, VT, 49ST, SS Gray. It is a 2008 model Victory Vision Tour Bike. The manufacturer is Polaris Sales, Inc., 2100 Highway 55, Medina, MN 55340.

Please find attached a photographed copy of the motorcycle and the tip-over protector circled for your convenience.
