Dear Hyundai representative:

Re: NHTSA Campaign No. 09V-124/Hyundai Campaign No. 089

I am requesting reimbursement under case number 3819227 for the total loss of my 2000 Hyundai Sonata VIN KMHWF25S0YA [Redacted] with approximately 106,000 miles.

I had previously written on January 31, 2010 and received a call from Paula (ID 54323) on February 17, 2010 requesting the following information:

1. Proof of ownership
2. Scrap Report or statement from repair company

I was able to obtain the following information:

1. Proof of ownership – I requested a copy of the vehicle title record from NY State Department of Motor vehicles. They provided a copy of title record which is attached.
2. Scrap Report or statement from repair company – A copy of a receipt dated 3-20-09 from "Greg's Auto Parts" stating "PD 50.00 Junk For A 2000 Hyund with Rotted Frame Vin # KMHWF25S0YA [Redacted]"

Note: I signed the vehicle over to Davron and they made arrangements for scrapping the vehicle and received the \$50. On March 20, 2009, the NY State License Plates were surrendered to the NY State Department of Motor Vehicles. A document with the estimate of repair costs could not be located by Davron. Per my previous letter, "The cost to repair the vehicle was estimated to be roughly the value of the vehicle and not recommended. Note: in addition to the frame

replacement, the drive shaft was pulled from the transaxle potentially damaging it." Should you need to contact Davron, their phone number is 716-894-0952.

I am requesting immediate reimbursement for the loss of the vehicle based on a the value of the vehicle as of the date of the accident, March 12, 2010 based on a vehicle in excellent condition; plus the costs I incurred of having to immediately replace the vehicle:

Registration and NYS Inspection	\$ 120
Cash down payment for new vehicle	\$ 2000

Sincerely,
