Re: Toyota Acceleration problem in 2005 Camry XLE

Dear Mr. Strickland:

I am writing to request your review of the enclosed letter from my constituent, [REDACTED] of Bayside, who has concerns regarding the safety of his 2005 Toyota Camry XLE.

[REDACTED] states that he has experienced accelerator problems with his vehicle which were unable to be repaired by the dealer on the first attempt. Though he was informed that no recall has been issued for his vehicle's year and model, [REDACTED] fears that his vehicle may not be completely safe.

Would you please review my constituent's letter and determine if a course of action exists to resolve [REDACTED] concerns with his vehicle?

If you have any questions or require further information, please contact Lindsay Righter in my Eureka district office at (707) 269-9595.

Sincerely,

MIKE THOMPSON
