To whom it may concern:

I am writing in the hope that you will confirm or deny a position taken by Ms. Shai Bradshaw, Consumer Affairs Representative for Nissan North America, Inc., Franklin, Tennessee, who refused to put into writing that my VIN number was not included in an extended warranty notice.

Without going through a lengthy explanation of the lies and deception on the part of Nissan dealers and representatives, I am seeking to determine if my 2003 Nissan Sentra GXE, VIN# 3N1CB51D83L806099 was included in the 2005 notice of an extended warranty on a defective catalytic converter.

Therefore, I am respectfully requesting a reply at your earliest convenience on my question.

Sincerely,

Ralph Perfetto
