EXECUTIVE SECRETARIAT

2011 JAN 10 P 14:14

RECEIVED - INTSA

To: IT MY CONCERN,

From:

PERKINS, GA

WE BROUGHT A 2007 CHEV. EQUINOX HT.
BEFORE WE BROUGHT IT, HAD WATER IN
THE FRONT FLOOR BOARD AND WE TOLD THEM
IF THEY FIX THE WATER LEAK WE WOULD
BUY IT. AND 4 DAYS LATER THEY CALLED
US AND SAID IT WAS FIX. SO WE BROUGHT
IT.

BUT IT WAS NOT FIX, EVERY TIME IT
RAINS WE GET 1 TO 2 INCH OF WATER IN
OUR FLOOR BOARD (FRONT). WE TOOK IT
BACK AND THEY KEPT IT FOR ABOUT
3 WEEKS AND THEY SAID IT WAS FIX.

BUT IT STILL IS NOT FIX, WE PUT
IN A NEW WINDSHIELD AND THAT DID NOT
HELP.

WE HAVE WATER AND MOULD IN OUR
CAR, AND MY WIFE HAS 999 ALLERGENS,
AND 1 OF THEM IS MOULD, MY WIFE
HAS TO CARRY AROUND A EPINEPHRINE
INQ 0.3MG BECAUSE OF HER ALLERGY
I OR WE WANT TO KNOW IF GORDON
CHEV. WOULD HAVE TO GIVE US A
NEW CAR, OR A EQUINOX HT, FROM
2008 TO 2011. BECAUSE IF NOT

MC
(-19-11
TRW

II.

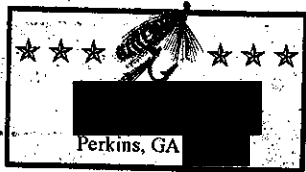

I AM THING ABOUT SUITING, GORDON
CREU. FOR LIEING ABOUT FIXING
MY CAR.

MY WIFE AND I USED ANOTHER
CAR BECAUSE OF HER ALLERGY.
ALSO SHE TAKES 4 ALLERGY SHOTS
A WEEK AND IT COST \$40,000.00.

WE NEED YOU TO DO SOMETHING
ABOUT THIS.

Thank you,

PERKINS GA 30901
