Subject: RE: [WARNING : MESSAGE ENCRYPTED] RE: Your Portable Form has been successfully processed by NHTSA/ODI 10381888

Hi,

My complaint is about sudden Unintended Acceleration (UA) of my 1994 Lexus GS300. NHTSA investigation of Toyota UA may not cover MY1994. Could you please help on the following?

1. Contact info for the department or personnel who will determine if NHTSA would inspect my car.
2. Contact info for the National Academy of Sciences, that is conducting broader UA investigation.

Best Regards,

[REDACTED]
