CERTIFICATE

FOR REPAIR, REFUND OR REPLACEMENT

For a fee collected at the time of the original tire purchase or for a fee collected to subject other tires to the terms of this certificate, Discount Tire or America's Tire stores will refund the purchase price and the sales tax, if any, on any tire covered in the event of a failure due to workmanship and materials or a non-repairable road hazard for the service of the original tread down to 3/32 inch remaining, or 3 years from date of purchase, whichever occurs first. Upon refund or credit of sales tax, customer hereby acknowledges by actual signature or electronic signature capture such credit or refund. This additional acknowledgement satisfies a technical requirement in the sales tax statutes and/or regulations for many jurisdictions that a signed receipt must be obtained upon the refund or credit of sales taxes. At the election of the purchaser, we will sell a replacement tire to the purchaser at the original price paid for the damaged tire, plus the required sales tax. In the event the covered tire is discontinued or unavailable, a tire of similar value will be substituted.

If in our opinion, the tire can be safely repaired, we will do so free of charge. The cost of this certificate is set forth on the receipt issued for the purchase of tire(s).

This certificate will be honored at any Discount Tire or America's Tire stores. This certificate does not cover damage caused by collision, vandalism, chain damage, mechanical defects of the vehicle or willful abuse. No other property damage or consequential damage of any kind is covered by this certificate.

There will be additional charges to purchase a new certificate for a replacement tire and to balance a replacement tire.

By redeeming this certificate, the customer relinquishes the right to any manufacturer's warranty that may apply, and Discount Tire or America's Tire may claim for its own benefit any such manufacturer's warranty.

VALID ONLY WITH PURCHASE AND PRESENTATION OF CERTIFICATE

The cost of any tire includes any wheel weights used in the balancing of the tire.

TIPS TO IMPROVE TIRE MILEAGE AND SAFETY

- ✓ **ROTATE TIRES**
every 6,000 to 8,000 miles or when necessary to equalize treadwear.
- ✓ **REPLACE**
worn-out tires when built-in wear bars appear across the tread surface.
- ✓ **REBALANCE**
every other rotation to promote even tire wear and a smooth ride.
- ✓ **REMEMBER TO RETURN**
to any Discount Tire / America's Tire store for a tire inspection.
- ✓ **MAINTAIN AIR PRESSURE**
as recommended by the vehicle or tire manufacturer. Check your air pressure at least once each month when tires are cool.
- ✓ **MAINTAIN ALIGNMENT**
(Front & Rear) replace worn suspension parts.
- ✓ **PLEASE DO NOT USE**
any "Fix-a-Flat" type products.
- ✓ **INSPECT**
tires occasionally for excessive wear, tread or sidewall cuts, or other damage.

**FREE
AIR CHECKS!
SAVES GAS!**

LIMITED WARRANTIES

Discount Tire and America's Tire Stores

ELIGIBILITY - These Limited Warranties apply to all owners of the tire using it in non-commercial service, except for the Mileage Warranty which is limited to the original purchaser.

TO MAKE A CLAIM - Present your tire(s) and original sales invoice to any Discount Tire or America's Tire Store. To locate a store you may call 1-(888) 774-6560, or visit the Discount Tire web site at www.discounttire.com. The vehicle on which the tire was used must be available for inspection. You will be asked to complete the customer portion of the adjustment claim form.

WARRANTY COVERAGE

New Tires - Workmanship and Materials - If our examination shows that a passenger, SUV, or light truck tire covered by this warranty has become unserviceable due to a workmanship or materials defect during the service down to 3/32 of an inch, it will be replaced on a pro rata tread wear basis.

New Tires - Road Hazard (if applicable) - If our examination shows that a passenger, SUV, or light truck tire covered by this warranty has become unserviceable due to a normal road hazard (i.e., non-repairable puncture, cut, snag, bruise, or impact break) during the service down to 3/32 of an inch, it will be replaced on a pro-rata tread wear basis.

New Tires - Mileage Warranty (if applicable) - In addition to the warranties above, every mileage warranted passenger, SUV or light truck tire is warranted to the original purchaser for the specified number of miles of tread wear and against normal road hazards for the same mileage (if applicable). If our examination shows that the tire covered by this warranty has worn down to its tread indicators before giving the specified number of miles of non-commercial service on the passenger, SUV or light truck on which it was installed, it will be replaced on a pro-rata mileage basis.

ATV/Trailer Tires - If our examination shows that a trailer or ATV tire covered by this warranty has become unserviceable, other than by a road hazard, during the three year period following its date of purchase, it will be replaced based on a charge of 33% per year or part thereof of the original purchase price.

CALCULATION OF REPLACEMENT CHARGES - Tires are replaced under these limited warranties with a comparably priced new tire at a pro-rata cost to the customer. Tread wear is pro-rated on the basis that the tire is worn out when the tread is worn down to 3/32 of an inch remaining tread groove depth or to the tread wear indicators on tires containing them. Tire replacement cost is determined by multiplying the original cost of the tire by the percentage of tread used. For example, if the original tread was 11/32 of an inch, and the tire has 5/32 of an inch of tread remaining at the time of replacement, the replacement cost will be 75% of the original cost $((11/32 - 5/32) / (11/32 - 3/32) \times 100)$. The replacement cost for mileage warranted tires is prorated at a set charge per 1,000 miles driven. F.E.T. and state taxes are added to the replacement cost. Additional charges for mounting and balancing apply.

ITEMS NOT COVERED

- These warranties do not cover:

- Use in commercial service such as commercial truck racing, street sweepers, off-the-highway taxi, limousine, or similar service (however commercial service does not include use by the owner as transportation in his/her regular trade or business);
- Damage, destruction, or failure due to accident, fire, or vandalism;
- Irregular or premature tread wear caused by improper inflation, misalignment, imbalance of wheels, or worn out shock absorbers or brakes;
- Damage or failure due to non-tire causes such as being run flat, mechanical condition of the vehicle, cuts from rims or chains, or any willful abuse;
- Problems related to the appearance of the tire after the first 10% of wear.

OWNER'S DUTIES

- It is the owner's responsibility to:

- See that the tires are operated at proper inflation, pressure and loads;
- Pay applicable taxes and dealer services such as mounting and balancing;
- Return the adjustable tire and complete the customer portion of the adjustment claim form.

DURATION OF COVERAGE - These warranties expire three (3) years from the date of purchase.

CONDITIONS AND EXCLUSIONS - These limited warranties are the exclusive warranties of Discount Tire or America's Tire stores, are in lieu of the warranties of the manufacturer, and set forth the exclusive remedies available to the tire user. In the event that the terms of an applicable manufacturer's warranty exceed the protection given under these warranties, Discount Tire or America's Tire stores will honor those terms. Discount Tire or America's Tire may claim for its own benefit any such manufacturer's warranty. These limited warranties do not provide compensation for any consequential, special, incidental or contingent damages. Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Tires presented for a claim remain the property of Discount Tire or America's Tire Stores. No representative or employee of Discount Tire or America's Tire Stores may enlarge or alter these warranties.

CONSUMER RIGHTS - These limited warranties give you specific legal rights, and you may also have other rights which vary from State to State.

Purchaser guarantees that the trade-in vehicle (i) has never been in an accident requiring repairs in excess of \$2,000; (ii) does not have a welded or bent frame nor has suffered flood damage; (iii) has never been designated as a "salvage vehicle" or "restored salvage" by any agency; (iv) has no liens or encumbrances other than as represented. Purchaser agrees to be liable for any damages Seller may incur if any of the above statements are untrue including attorneys' fees and costs.	DRIVE-AWAY PERMIT FEE	+
