From: Hershman, Larry (NHTSA)
Sent: Tuesday, July 26, 2011 5:06 PM
To: Wells, Cynthia CTR (NHTSA)
Subject: 10408883

first panel & goes to
driver's side, under
hanging down - place

TO REPLACE COVER

1. Place the cover (with
flange & ridge) over the
ridge. Push down on the
flange to secure it. Make
sure the flange is flush
with the roof surface.
2. Secure the cover with
screws. Tighten the
screws.
