THIS CONTRACT DOES NOT PROVIDE FOR AUTOMOBILE LIABILITY INSURANCE, AND SAID BUYER ALSO STATES THAT HE OR SHE HAS / HAS NOT (strike words not applicable) IN EFFECT AN AUTOMOBILE LIABILITY POLICY AS DEFINED IN SECTION 42-7-103(2), COLORADO REVISED STATUTES, ON THE MOTOR VEHICLE SOLD BY THIS CONTRACT.

CONTRACT AND AGREEMENT TO PAY

You, the Buyer and any Co-Buyer, agree to purchase the vehicle described above on the terms in this contract.

You agree to pay us (or our assignee named in this contract) the amount financed, the finance charge, and all other amounts owed to us under this contract, according to the payment schedule above and the terms of this contract. We calculate the finance charge, total of payments, and total sale price on the assumption that you will make every payment on the day it is due. Because the finance charge is calculated on a daily basis on the unpaid part of the amount financed, your finance charge, total of payments, and total sale price will be more if you pay late and less if you pay early. These changes may take the form of a larger or smaller final payment, or, at our option, more or fewer payments of the same amount as your scheduled payment, with a smaller final payment.

If you pay off early, we are entitled to a minimum finance charge of \$ N/A

If you pay with a check or other instrument that is dishonored or returned, you will pay us a fee of \$25.

The Annual Percentage Rate may be negotiable with the Seller. The Seller may assign this contract and retain its right to receive a portion of the Finance Charge.

SECURITY AGREEMENT

You give us a security interest in the vehicle described in this contract and all parts or goods installed in it, all money or goods received (proceeds) for the vehicle; all insurance, maintenance, service, or other contracts we are financing for you as part of this purchase; and all proceeds from insurance, maintenance, service, or other contracts we are financing for you as part of this purchase. This includes any refunds of premiums or charges from the contracts.

This interest secures payment of all you owe on this contract. It also secures your other agreements in this contract.

You agree to make sure that the title shows our security interest (lien) in the vehicle.

By signing this contract, you agree to all of the terms on the front and the back of this contract, and you agree that you have been given a copy of it with all of the applicable blanks filled in. If you sign as a Co-Buyer, you are responsible for paying the entire debt. If you sign as a Co-Owner, your name will be on the title to the vehicle, but you will not be responsible for paying the debt. If you sign here as a Co-Owner or Co-Buyer, you agree that you know about our security interest in the vehicle and you give your consent to that interest. You agree that this contract contains our entire agreement, and that the terms of this contract cannot be modified except in writing and signed by all the parties.
