The Reason for suing for Product Liability

10 This case started on 8/19/2010 everyone was lied to me with Toyota Headquarter,
11 I request them to inspect my truck for the big tire unsafe. 7 times they did not come,
12 to now I am unable to hire attorney and assistant to help me.
13 I don't have the money.
14 I do it by myself, I sue this case (very extremely dangerous for a lot of American
15 Drivers).
16 I love them so much, I don't want them to get hurt like me.
17 I work hard with you to stop them to not hurt more Americans.
18 Mr Judge this matter so seriously to our country.
19 I believe from 1999 to 2005 Toyota Tacoma Truck they sell (Huge) this vehicle in
20 U.S.A. All big tire not safe.
21 I want you bring (Toyota Corporation) in front of judge and me, American. Answer, why
22 I became disabled from a simple accident.
23 Mr Judge if you do not with me a lot of American drivers will get hurt for a lifetime.
24 This case big criminal of United States of America.
25 With too much pressure for me and severe pain.

1 The (demurrer) by myself I don't know how to do this.
