RE: CLAIM #s: [REDACTED]
VIN# JN8AR07YXXW [REDACTED]
1999 Nissan PTH SUBN GR Pathfinder

TO: National Consumer Affairs Department
Nissan North America Inc.
P3C PO Box 685003
Franklin, TN 37068-5003

This is a written, formal notice officially submitting documentation for reimbursement of expenses related to the Nissan Salt States Recall. **As outlined in the INTERIM OWNER NOTIFICATION and the FOLLOW UP OWNER NOTIFICATION "If you have paid to have your strut housing repaired due to corrosion prior to this campaign, you are eligible for reimbursement of the related expenses".**

In March 2010 I noticed my Nissan Pathfinder was difficult to steer and was making a grinding and rubbing noise during steering. Vehicle was taken in May to Collision Experts of Clifton Park where it was documented that the driver side suspension, left side housing and left side strut seams were rusted and broken due to major corrosion. The corrosion causes parts of those units to rub against the steering column causing the grinding noise. It was found that the strut and apron were not safe to support the driver side suspension. Repairs were completed by Collision Experts of Clifton Park to the driver/left side of the vehicle's strut to correct driver-side suspension and overall steering.

Attached is:

- Proof of Payment
- Copy of Estimate for Collision Experts of Clifton Park
- Proof of Ownership
- Proof of Registration
- Copy of NYS Drivers License

Parts and labor to complete repairs totaled \$1,413.92 for which I am requesting FULL reimbursement.

Payment can be directed to me at

Waterford, NY

I can be contract at

Thank you.
