This motorhome DID NOT have brake failure. The reason for my call to NHTSA was my concern due to other failures of the same model equipped with BOSCH brakes. I DO have concern for a possible or probable safety issue due to the failure of other units of same make and model. I have NO idea why the NHTSA agent that took my call on 3/5/12 wrote initial report as a "failure."				
Include, if available: Police/Fire Department Report, Photos, and Repair Invoice.			ATTACH ADDITIONAL SHEETS IF NECESSARY
